

EMMAUS ROAD  
PUBLISHING

2026 CATALOG

AS I LOOK BACK on nearly three decades of Emmaus Road Publishing, I'm grateful for how steadfastly we've pursued our mission of helping Catholics understand Scripture and apply it to their lives.

Each of this year's new releases embodies that mission in a unique way. My colleague Ken Ogorek and I have released the final installment of our Sunday Mass readings companion series, *Breaking the Bread*, which provides insight into the Scripture passages we hear each week and urges us to allow God's Word to transform us.

John Bergsma's latest book, *Jesus and the Jubilee*, traces the biblical roots of the jubilee year right to the present, showing that in the Church's sacraments we now benefit perpetually from God's favor in the forms of freedom, family, and the fullness of His blessing.

First-time author Megan Hjelmstad has made biblical and Catholic teaching on redemptive suffering personal and powerful in her book *Offer It Up*, which is quickly becoming one of our bestsellers.

These new books—and many others—represent the core of Emmaus Road Publishing's purpose. Alongside beloved titles by authors like Curtis Martin, Jeff Cavins, Tim Gray, Edward Sri, Emily Stimpson Chapman, Kendra Tierney, Ralph Martin, Katherine Bogner, and Fr. Carter Griffin, these books bring God's Word to life, forming and transforming the thousands of Catholics who read and share them.

As you turn these pages, I invite you not only to discover new books but to take part in the ongoing renewal of Catholic life through Scripture.

—Scott Hahn

## TO WHOM SHALL WE GO?

The Biblical Case for the Catholic Church

Thomas J. Nash

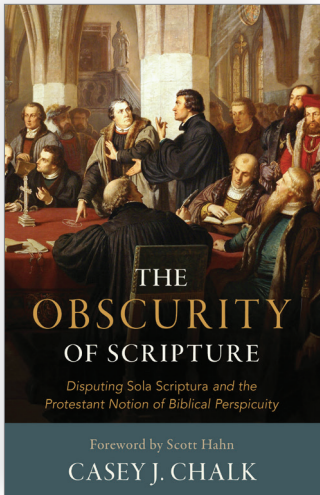

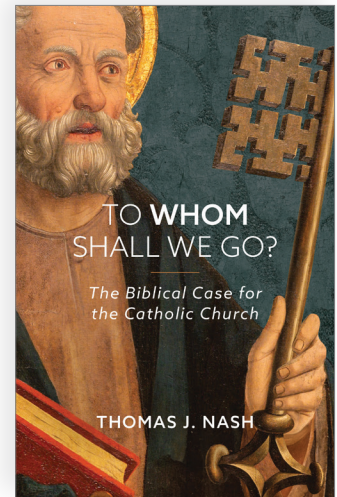

9781645852315 | 200 pages | paperback | \$15.95

In *To Whom Shall We Go?* Thomas J. Nash seeks to present anew the real Jesus, the Word who became flesh (John 1:14) to save all of humanity and to employ his Mystical Bride, the Catholic Church, as his instrument of salvation and life-transforming love.

Nash makes biblical and historical arguments for the perennial relevance of Jesus and his Church. As he summarizes well, if the Catholic Church were merely a human institution, she would've entered the dustbin of history centuries ago, both because of internal scandals and external persecutions. Instead, two thousand years after the Resurrection, the Church continues to advance her God-given Great Commission (Matt 28:18-20).

*"An homage to the Church of Jesus Christ, paid by a man who deeply loves the Church and Jesus Christ."*

—Mike Aquilina, Author of *How the Fathers Read the Bible*

## THE OBSCURITY OF SCRIPTURE

Disputing *Sola Scriptura* and the Protestant Notion of Biblical Perspicuity

Casey J. Chalk

9781645852278 | 320 pages | hardcover | \$24.95

The Protestant Reformation coalesced around five core doctrines: *sola scriptura*, *sola fide*, *sola gratia*, *solus Christus*, and *solus Deo gloria*. But another founding principle served as bedrock for all of them: the doctrine of clarity, or perspicuity. According to this doctrine, the Bible is clear enough so that any Christian, relying on the Holy Spirit, will be able to determine *at least* what is necessary for salvation, if not much more. This work analyzes perspicuity and exposes it as a hopeless dead end with only one way out: the Catholic teaching on the Bible.

*"Chalk's sophisticated biblical, theological, and philosophical treatment of the doctrine of clarity provides an extraordinary opportunity for ecumenical exchange between Catholics and Evangelical Protestants."*

—Eduardo J. Echeverria, Professor of Philosophy and Systematic Theology,  
Sacred Heart Major Seminary

## SAINTS AROUND THE WORLD

Meg Hunter-Kilmer, illustrated by Lindsey Sanders

9781645851158 | 224 pages | hardcover | \$22.95

Meet over one hundred saints from more than sixty countries. Beautiful illustrations and captivating storytelling introduce children to new heavenly friends. There are stories for when life isn't fair, when people are unkind, when you've made a terrible mistake, when you're struggling at school, when prayer is hard. And there are stories of shouting down Nazis, of fleeing a murderous villain, and of making scientific discoveries. Read about every kind of saint: scared saints, brilliant saints, weak saints, adventurous saints; abused, overjoyed, disabled saints—*Saints Around the World* shares countless ways saints show us how very possible holiness is.

*"If we don't encounter saints who look like us or have stories similar to our own then we might grow up thinking that becoming a saint is not an option for us. The stories and images of the saints in this work will inspire a whole new generation of saints from every race, nation, tribe, and tongue."*

—Fr. Josh Johnson, Host of the Ask Fr. Josh Podcast
