Campaign Update & 2025 Annual Report

A Word *from* Our President

Dear Friends,

Grace and peace to you. I write to you with a heart full of gratitude—for your friendship, your trust, and your unwavering support of the work at the St. Paul Center. 2025 ended up being a watershed year for the Center—a year in which seeds planted over more than two decades of biblical renewal have broken into full bloom in this our 25th year.

The 25th Anniversary Campaign: A Foundation for the Next Generation

This year marked the formal launch of our 25th Anniversary Campaign—the most ambitious campaign in the history of the St. Paul Center. What began as a strategic planning process and feasibility study has become a movement. The response from those closest to our mission has been extraordinary, and I am humbled to report that the campaign is already well underway.

I also want to share something of significance: for the first time in the Center's history, we exceeded $20 million in total annual revenue. This milestone reflects not only the strength of our operating revenue but also the extraordinary generosity of our campaign donors. Your early commitments have helped us reach this threshold.

Campaign for Priests Progress

If there is one conviction that has driven this apostolate from the very beginning, it is this: when priests are formed in the Word of God, the faithful are transformed. 2025 gave us powerful confirmation that this vision is resonating across the country.

Our annual Priest Conferences sold out for the third consecutive year, with over 630 priests in attendance from across the country. To see so many shepherds gathered—hungry for the Scriptures, hungry for fellowship, hungry to bring the Word back to their parishes—is one of the great consolations of my life and work.

This year also marked an exciting first: the launch of our inaugural Seminarians Conference, which sold out completely. This conference gathers and forms seminarians to better encounter the living Word before they step into the pulpit as priests. I can think of no better investment in the future of the Church.

Our board of trustees' investment committee commissioned Catholic Investment Services to initiate management of the St. Paul Center Foundation Fund. This fund represents a lasting legacy for the support and formation of priests—a permanent vehicle that will outlast all of us and continue to bless the Church for generations. It is a gift born of loyalty, and it is one of the most meaningful developments of this entire campaign.

Looking Ahead with Hope

Twenty-five years ago, I could not have imagined what the St. Paul Center would become. Today, I stand in awe of what God has done—and I am more convinced than ever that the best is yet to come. As we prepare to mark our 25th anniversary in 2026, I invite you to continue walking with us into this next chapter.

Your partnership is not merely financial—it is spiritual. You are co-laborers in the great work of biblical renewal, and the fruits of that work are rippling outward into parishes, seminaries, and hearts across this country and beyond. For that, I am profoundly grateful.

May God reward your generosity a hundredfold, and may the Word of God continue to run and be glorified through the work we share.

In Christ's Service,
Dr. Scott Hahn
Founder & President
